

## *DE-PBS Project Data Tool Summary*

### **Tier 1 Framework Components:**

- *School-wide PBS Tier 1* – Program Development & Evaluation – Focus on gathering and use of data, establishing problem-solving teams, and accessing professional development and resources
- *Prevention: Implementing School-wide & Classroom Systems* – Focus on establishing positive relations, school-wide behavioral expectations, and teaching and acknowledging expectations
- *Correcting Problem Behavior* – Focus on discipline procedures and problem solving/skill-building practices
- *Developing Self-Discipline* – Focus on integrating social and emotional teaching and skill development

### **Tier 2 & 3 Framework Components:**

- *Problem-Solving Conversations* – Focus on matching students to interventions and monitoring progress
- *Systems Development Conversations* – Focus on using process data; evaluates overall effectiveness of interventions

<b>Tier 1 Tool</b>	<b>Focus/Type</b>	<b>Description</b>
<a href="#">DE-PBS Key Feature Evaluation (KFE)</a>	Tier 1 fidelity tool completed via external evaluation	The KFE is a tool used to provide feedback to schools based on their Tier 1 School-wide PBS program and implementation.
<a href="#">Key Feature Status Tracker</a>	Tier 1 fidelity tool completed via team self-assessment	This checklist outlines the major components for each KFE section and allows teams to indicate the extent to which the component is in place.
<a href="#">DE Assessment of Strengths and Needs for PBS (DASNPBS)</a>	Tier 1 staff survey	This survey is used to help schools assess their strengths and needs in the four Tier 1 schoolwide framework components. It examines both school-wide and classroom settings.

<b>Tier 1 Tool</b> <i>continued</i>	<b>Focus/Type</b>	<b>Description</b>
<a href="#">Discipline Data Reporting Tool</a> (DDRT)	Tier 1 data collection tool	This tool allows schools to analyze their discipline referral rates per month for the current school year and compare their results to the previous year, as well as national and state averages.
<a href="#">Delaware School Climate Surveys</a> (DSCS) – see <a href="#">FAQ</a>	Tier 1 data collection tool via student, teacher/staff, and home surveys	The DSCSs provide schools with a free, brief, useful measure of school climate assessing how students, teachers/staff, and parents perceive the school environment. Results used for program evaluation and development.
<b>Tier 2/3 Tool</b>	<b>Focus/Type</b>	<b>Description</b>
<a href="#">Tiered Fidelity Inventory</a> (TFI)	SWPBS fidelity tool, <i>currently utilized by Project at Tier 2</i> , completed via guided team self-assessment	The TFI provides an efficient measure of the extent to which school personnel are applying the core features of positive behavioral interventions and supports at Tiers 1-3.
<a href="#">FBA and BIP Technical Adequacy Tool for Evaluation</a> (TATE)	Tier 3 fidelity tool completed via self, team, or external assessment	Tier 3 teams at the district or school level (or individual FBA/BIP facilitators) can use this tool to determine the technical adequacy of FBA/BIPs and establish baseline and data for improvement.
<a href="#">Individual Behavior Rating Scale Tool</a> (IBRST)	Tier 3 data collection tool	The IBRST is a hybrid assessment combining features of systematic direct observations and rating scales to monitor student behavior and progress.
<b>MTSS Tool</b>	<b>Focus/Type</b>	<b>Description</b>
<a href="#">Tiered Fidelity Inventory</a> (TFI)	SWPBS fidelity tool completed via guided team self-assessment	The TFI provides efficient measure of the extent to which school personnel are applying the core features of positive behavioral interventions and supports at Tiers 1-3.
<a href="#">Positive Behavioral Interventions and Supports Implementation Blueprint: Self-Assessment &amp; Action Planning</a>	MTSS fidelity tool completed via state or district team as self-assessment	The Implementation Blueprint is used to assist local and state education agents to improve their capacity to address school climate and PBIS for all students.
