

Delaware Positive Behavior Support Project

Creating safe and caring learning environments to promote the social-emotional and academic development of all children.

2015-2016 DE-PBS Professional Development Activities

Topic and Description	Date	Time	Location
-----------------------	------	------	----------

Schoolwide (SW) PBS Training – 1 Day Training	9/15/15	9am – 3:30pm	Del Tech, Dover Campus Rooms 400A & B
--	----------------	---------------------	--

This workshop is open to new team members joining existing PBS school teams. The content presented will be very similar to the School-wide PBS Team training. Since participants are coming with products already developed, the team time will be shortened and the focus will be on product review and tweaking, as well as expanding and maintaining PBS programs.

Prevent, Teach, Reinforce (PTR) Training – 2 Day Series	9/22/15 & 4/6/16	9am – 3:30pm	Del Tech, Dover Campus Rooms 400A & B
--	---------------------------------	---------------------	--

The Prevent-Teach-Reinforce (PTR) model is a Tier 3 behavior intervention process. Participants will learn the 5-step, teacher/team driven model as well as how to identify the critical components that enhance the success of Tier 3 interventions.

DE-PBS Conference	10/29/15	9am-3:30pm	Del Tech, Dover Campus Room 727
--------------------------	-----------------	-------------------	--

The focus of this conference is on using a multi-tiered system of support (MTSS) framework to manage and infuse Positive Behavior Supports as well as additional initiatives into the school-wide system. Keynote guest: Dr. George Sugai, Co-director of the national Center on Positive Behavioral Interventions and Supports.

Topic and Description	Date	Time	Location
-----------------------	------	------	----------

Targeted Team Training	11/17/15	9am-3:30pm	Dover Downs, Ballroom A
-------------------------------	-----------------	-------------------	--------------------------------

This workshop is aimed at Tier 2 problem-solving team members, including administrators, who would like to extend their current Tier 2 programming for students by establishing a sound system. Participants will receive an in-depth overview of the recommended features for effective Tier 2 behavior teams, programming, and interventions. Information will also be shared regarding how to identify and secure appropriate Tier 2 interventions that match demonstrated student needs.

Schoolwide (SW) PBS Training: Correcting Problem Behavior & Developing Self-Discipline	12/3/15	9am – 3:30pm	Dover Downs Ballroom C
---	----------------	---------------------	-------------------------------

As an extension of the School-wide PBS Team Training, the focus of this workshop is on systems to support correction of problem behaviors and developing self-discipline as part of the SWPBS framework. Participants will explore components of their behavior tracking system, discuss how disciplinary encounters can routinely be used as learning opportunities, and explore avenues, such as social-emotional learning curriculum and student involvement, to supporting the development of self-discipline.

Targeted Team: Follow-up Session	1/27/16	9am-3:30pm	Del Tech, Dover Campus 400A&B
---	----------------	-------------------	--

This collaborative workshop is aimed at Tier 2 team members, including administrators, who have previously attended the Targeted Team Training and would like to further enhance their current system. Opportunities for participants to share their current Tier 2 efforts and ask questions about how to improve those efforts will be provided.

DE-PBS Secondary Forum	2/23/16	9am – 12pm	Del Tech, Dover Campus Room 400
-------------------------------	----------------	-------------------	--

This is a collaborative meeting of secondary schools implementing DE-PBS at various levels. Members of secondary school PBS teams meet together to share resources and ideas to support implementation of SWPBS in middle and high school settings.

Delaware School Climate Survey Workshop	5/10/16	9am – 12pm	Dover Downs Ballroom C
--	----------------	-------------------	-------------------------------

Participants of this workshop will receive an overview of the Delaware School Climate Survey and its importance, a summary of state-wide survey results, and time to review and interpret their own school climate reports for use in action planning.
