

PBIS Incentives

Incentives are a great way to engage your students and create excitement for your PBIS rewards program. However, coming up with incentive ideas may be a challenging task. So we've created this list of PBIS incentives to help educators and administrators support [Tier 1 \(http://www.pbis.org/school/primary-level\)](http://www.pbis.org/school/primary-level) of their PBIS program.

Incentives are categorized by:

- **Grade:** K – 12th
- **Price:** our estimate of the school's cost
- **Category:** Tangible, Recognition, or Privilege
- **Value:** one trophy represents items that can be earned with one or two weeks, two trophies represent items that may take up to a full grading period to earn, and three trophies for items that may take half of the year to earn

To view additional information and a long description of each PBIS Incentive, just click the **i** next to the Reward title.

Do you have a PBIS incentive idea that would be a great addition to our list? We'd love to hear about it.

"Our high school has tried many different tools to help reinforce positive behaviors, with varying degrees of success. We started using PBIS Rewards in our classrooms and it has been a lifesaver. Our kids are excited to know how many points they have accumulated, love to buy items in our store, and appreciate being positively recognized in a quick, easy, and meaningful way."
